

PUBLIC NOTICE

Great Bear Petroleum operating LLC, (GBPO), North Slope, Exploration and Evaluation Program, Amendment #1

The Alaska Department of Natural Resources, Division of Oil and Gas (DOG), has received a Lease Plan of Operations amendment application, dated September 10, 2012, for the existing Lease Plan of Operations approval 11-007 from GBPO to extend the production flow testing period, for previously approved wells, from 15 days to up to 180 days at each well. DOG is providing public notice and an opportunity to comment.

Applicant: GBPO, 601 W. 5th Ave., Suite 505, Anchorage, AK 99501; Karen Bryant Duncan/Pat Galvin 907-868-3887.

Location: Umiat Meridian,
From: Township 07 N, Range 14 E
To: Township 05 N, Range 14 E
ADL's: 391663, 391678, 391680, 391683, 391706, 391707

Project Description: GPBO proposes to extend the production flow test from 15 days to up to 180 days at each of the wells previously approved under their existing plan of operations dated 12-27-2011. The extended production well test will provide valuable information about the production decline rates of these wells. Such information is critical in the evaluation of their unconventional resource play.

The application package is available for review at the DOG, Permitting Section, 550 West 7th Avenue, Suite 1100, Anchorage, AK 99501 and online at
